

CELEBRATION BOOKS

Celebrate your child's birthday, special achievement or success in school with a new book donated to the Concordia Library. Donating a book to our library also makes a great surprise gift to say "Happy Birthday!" from one student to another. **All Celebration Books cost only \$10 each!**

Each Friday, at our flag salute, Mr. Gerhard will recognize students who donate a book by announcing their birthday or special achievement and rewarding them with a certificate. When your child donates a book, a permanent bookplate bearing your child's name and special occasion will be placed in the book donated, and your child will be the first one to check out the new book!

Please visit www.ConcordiaPTA.org for a list of Celebration Books.

All books available in our *Celebration Book Club* are displayed in a bookshelf behind the check-out counter in the Library. Feel free to come and browse through the books before you choose one, or you may select one from a listing on the PTA website (note that a listed book may have already been purchased). We will add new books throughout the year, so please drop in to see what's new whenever you decide to donate a book!

DETACH AND RETURN TO THE OFFICE WITH YOUR \$10 PAYMENT
